INQUIRY FACTS

CUSTOMER REVIEWS

"Barbee Tax provided VERY good and helpful information. I wish we would have contacted them sooner. Their consulting advice is going to save us thousands of dollars in taxes!" - **Partner, Marketing Firm**

"We had 5 years of unfiled returns. We filed the returns and subsequently received a \$67,000 penalty. Barbee Tax appealed the penalties using timelines and negotiation. Then the unthinkable happened, the \$67,000 penalty was abated. They earned a client for life!" - **Partner, Real Estate Firm**

"I wholeheartedly believe Barbee Tax has the unique accounting experience, exposure and education you are seeking in your next CPA. They were courteous and cognizant of the urgency to file my taxes in time. Their commitment to making sure I got my due diligence was reassuring." - **Owner, Ad Consulting Firm**

ONE SOLUTION AT A TIME!

Barbee Tax Consulting, LLC provides accounting, tax, and non-traditional consulting services in the United States. Our CPA's elucidate federal and state tax laws by focusing on "One solution at a time." We identify potential solutions and alleviate clients' concerns. Barbee Tax is a forward thinking company that has Big 4 expertise and experience without the Big 4 hourly rates. (The Big 4 accounting firms are PricewaterhouseCoopers, KPMG, Ernst & Young, and Deloitte). We are one of the only firms that provide Affordable Care Act ("ACA") compliance at a fraction of the cost.

The foundation of the company began by providing a solution to businesses looking to subcontract their tax functions. Its humble beginnings have led Barbee Tax to quadruple in revenue and expanding its offices. Contact us to find the right solution for your enterprise.
